

# BC Food Protection Association

Oct 18, 2007 — 2<sup>nd</sup> Premier Food Safety Conference

## Preparing for the Future

### A sampling of our speakers...

In 1999 Dr. Perry Kendall assumed the position of Provincial Health Officer for BC. Being awarded the Order of British Columbia for his contributions to Public Health practice and to harm reduction policy and practice in BC reflects the excellency he applies in both his life and career.

Dr. Keith Warriner, Assistant Professor, Food Microbiology, University of Guelph has a BSc (Hons) in Food Science (Nottingham University, UK) specializing in food microbiology and a PhD in Microbial Physiology at the University of Wales Aberystwyth. Recent research: biosensor development; epidemiology of enteric contamination within meat chains, intervention technologies and interaction of human pathogens with growing plants; and, food microbiology.

Liz Gurszky, Director of Communication and Market Development, BC Dairy Foundation brings branding to life by integrating all of their programs for students, youth, young adults and families to make milk relevant to their lives. Ms. Gurszky will provide some
